

Residential Mental Health Therapist (LCSW, LPC, LMFT)

About Us

Elevate Health & Wellness is a **comprehensive, dual-licensed mental health and addiction treatment clinic** providing high-quality care for individuals and families. Our **supportive, collaborative, and forward-thinking team** includes some of Connecticut's most dedicated clinicians.

We are opening a **Residential Mental Health Program in Clinton, CT** and are seeking licensed therapists for this new program.

Position Overview

Our ideal candidates will be hired full time to provide individual and group therapy to the women in our program. The position will consist of facilitating groups, conducting individual and family sessions, as well as other clinical work as needed.

Key Responsibilities

- Facilitate groups within the Residential program
- Provide individual counseling to adolescents and adults, addressing a wide range of mental health issues.
- Work closely with a multi-disciplinary team to develop and implement treatment plans, monitor progress, and ensure quality care.
- Maintain timely and accurate clinical records. Complete treatment plans, progress notes, and other required documentation.
- Collaboration with school system for adolescent clients
- Outreach as required to the community

Requirements

- Active Connecticut license (LCSW, LPC, LMFT, or equivalent), in good standing
- Available for full time work
- Strong clinical skills in mental health and substance use treatment, with experience providing individual and group counseling.
- Ability to run IOP and residential-based groups
- Passion for empowering clients and promoting long-term wellness
- Professional communication and strong clinical judgment
- Experience facilitating groups and working in a team-based environment

If you are looking to join a **friendly, growth-minded clinical team** providing high-quality care in a flexible work environment, we'd love to hear from you.

How to Apply:

Please submit your **resume and cover letter** to Jennifer Hrbek at jhrbek@elevatehwct.com and be sure to include answers to the following questions:

- When did you first obtain your clinical license (LCSW, LPC, LMFT, etc.) and in which state?
- What specific populations and treatment settings have you worked with (e.g., adolescents, adults, IOP, substance use, telehealth)?
- Why do you believe you are the best candidate for this position?
- Are you seeking full-time (40 hours/week) or part-time (24 hours+/week)?
- If part-time: What is your desired hourly rate?
- If full-time: What is your desired annual salary range?
- Do you currently need healthcare benefits through your employer?
- When would you be available to start if offered the position?
